## Mattapoisett is Getting Worn Out

### *New Town Shirts to Benefit Rescue Fund*

Once again proving that Mattapoisett is indeed "special," the town's Rescue Squad has optioned an original shirt design as a fund raiser to help them reach their $150,000 goal and the purchase of a new rescue truck.

Keeping with their original three-year plan, the squad is committed to selling a new shirt each year, beginning with 1995, as a way of both garnering monies for their effort and giving something back to the community which has so readily supported them in the past.

The new shirt design — which will be offered both on a sweatshirt and t-shirt — was created by Mattapoisett's own Jim Wheeler, a local calligraphy businessman and artist. The limited edition 1995 shirt bears a unique American flag design which employs the town name in red as the stripes and the tell-tale Ned's Point Lighthouse as the stars against a blue background.

The idea started originally as a poster design for Mr. Wheeler, who later joined forces with Screen Works of Mattapoisett to create the shirts. "I designed the logo about three years ago," he said. "I was just going to make some posters for myself to sell ... and then Screen Works and I started making t-shirts which we sold at Harbor Days."

Realizing they had a marketable idea on their hands, Jim Wheeler and Screen Works offered the original design to the Mattapoisett Rescue Squad for exclusive use in their new fund raising plan.

"We've made an arrangement with them to use this design only for the Rescue Squad," Mr. Wheeler said. "We're essentially donating the idea and are giving them the shirts at cost."

Taking his cues from a similar design he saw on another shirt, Mr. Wheeler instantly envisioned the words "Mattapoisett" in red emblazoned on an American flag logo and saw only one landmark which could serve as white stars against a field of blue — the Ned's Point Lighthouse.

"That was the most obvious landmark to use," he said.

And he already has some ideas for the future shirt designs. "Another idea I have is to do an outline of the state of Massachusetts with the word 'Mattapoisett,' and use the lighthouse to identify the location of the town," he said.

Having been involved in calligraphy work for the past fourteen years, the former journalist enjoys his current work. He has waived his design fee and, like Screen Works, has donated his efforts to the Rescue Squad.

And in the true spirit of community, several other local businesses have also joined forces to further the effort. Both the Plymouth Savings Bank and Seaport Pharmacy on Route 6 have agreed to be drop-off centers where shirt orders can be taken ... and *The Wanderer* has donated assistance in both distribution and mailing.

The shirts will be offered at the end of the year — just in time for your holiday shopping — and will be available only for a limited time. Having raised some $15,000 thus far, the Rescue Squad is confident that local residents will continue to support their efforts ... and the new shirts are a visible way of showing their support.

The shirt includes the Mattapoisett/flag logo on the back and a dated Mattapoisett Rescue Fund logo on the front breast pocket.

Orders are now being taken for the first in the series of three shirts. Simply send a check or money order (made payable to "Mattapoisett Rescue") for $12 for each t-shirt ($14 for XXL), or $20 for each sweatshirt ($22 for XXL), and mail it to: Mattapoisett Rescue Fund, P.O. Box 482, Mattapoisett, MA 02739. Be sure to include size (S, M, L, XL, or XXL) and add $3.50 per item if being shipped. Orders may also be dropped off at *The Wanderer* office, Plymouth Savings Bank, or Seaport Pharmacy.

All orders must be placed by December 3, and can be picked up in person on Saturday, December 10 between 9:00 am and 2:00 pm at the Mattapoisett Fire Station, or during the week of December 12 through December 16 at *The Wanderer* office (55 County Road) between 9:00 am and 2:00 pm.

*An order form is included in this issue and is located on page 27.*

## Mattapoisett Selectmen's Meeting

*October 25, 1994*

*By Bethany Morgan*

A meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, October 25 at 7:00 pm by Chairman John N. DeCosta, Jr. Also present were Selectman Paul E. Lambalot and Executive Secretary Carol Adams.

Following the approval of the minutes for the October 11 and 18 meetings of the board and the signing of Warrant #18, the board noted that Representative William Straus will be meeting with District Highway Director Bernard McCourt, Safety Officer Paul Magee, and Police Chief James Moran on Thursday, October 27 at 3:00 pm to discuss changes for Route 6.

Rep. Straus first called the meeting to discuss the repaving or patching of the Route 6 breaks and pot holes. The work having been completed as of earlier this week, the meeting will now focus on the DPW's proposal to change the existing "two way left turn" between North Street and Main Street to four lanes.

Police Chief Moran wrote the board expressing his concernfor this proposed change. Chief Moran explained that within the area, four-tenths of a mile long, there exist 50 businesses including the town Post Office and two banks. "This area rightfully is called the center of our business section," he stated in his letter. "The 'two way left turn' has solved most of our traffic problems by reducing the speed cars can travel and gives motorists a chance to make left turns without being rear-ended, which happens when you have four lanes of traffic in congested areas."

Chief Moran does not agree with the DPW's

assessment that "the two way left turn has not functioned in the matter deemed appropriate for its retention." On the contrary, Chief Moran reminded the board of the reason for the conversion from the four lanes sometime during the 1970's. "There is no way that we can tell just how many lives have been saved and how many accidents did not happen because of the 'two way left turn,'" he wrote. "But whatever the number, the town is grateful."

The board was in agreement with Chief Moran and will support the Police Department's opinion.

The Library Trustees invited the board to attend the Thursday, November 17 Trustees Meeting for an update on the SEAL Network. The group hopes "to learn

how these changes will impact the services the Library is able to offer the town's residents," according to their letter.

The Massachusetts Municipal Association (MMA) submitted an informative fact sheet explaining their opposition to Question 9. Question 9, which will appear on this year's state ballot in November, would prohibit cities and towns from passing rent control ordinances. The MMA opposes the referendum because it will violate the home rule, threaten local autonomy, and circumvent the Massachusetts Constitution. Chairman DeCosta stated that this referendum would be harmful to the larger cities and towns in Massachusetts.

Executive Secretary Carol Adams reported that the board will be meeting with Marion and Fairhaven on November 16 at 7:00 pm to discuss the possibility of establishing a bicycle path within the three towns.

Ms. Adams then demonstrated the Animal Control Officers' newly-adopted method of informing owners that their animal has been taken into custody. The method consists of a brightly colored notice to be affixed to the owner's house which indicates where the animal was taken, who they should contact, and how to contact the officer issuing the notice.

The notice will also indicate one of the following reasons for taking the animal into custody: animal bite investigation, noncompliance of leash law, quarantine for animal, livestock information, barn inspection, and others.

At 7:30 pm, the board held a Public Hearing for an All-Liquor License applied for by J & K Associates, Inc. Karen and John Bizzozero and their son have purchased the property at 64 Fairhaven Road, formerly the Hearty House, and will be establishing a restaurant called The Mad Hatter.

Selectman Lambalot requested that the Bizzozero's, upon approval of the license from the state, should meet with the area representative for the ABCC to discuss the regulations as well as what to look for as a proprietor of an establishment that serves liquor. Mr. Lambalot also suggested they meet with the Police Chief to "step off on the right foot."

The board approved the license and sent the Bizzozero's to meet with the Board of Health for further paperwork.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 7:40 pm.

## Marion Special Town Meeting

*October 25, 1994*

A Special Town Meeting was called to order at 7:30 pm in the auditorium of Sippican School by Marion Town Moderator David B. Titus. Upon duly noting the presence of a quorum (some 230 voters were present), Mr. Titus briefly went over procedural matters before calling upon Assistant Dog Officer Susan King to introduce the first article, which was placed on the warrant via her petition.

Article S1 would allow the establishment of commercial kennels within residential zones, as authorized by the town's Board of Appeals. "The Board of Appeals may grant a special permit for a commercial kennel as an accessory use to a residence, providing the kennel is located to the rear of the residential structure and at least 25 feet from abutting property lines and provided the Board of Appeals finds that such commercial kennel

would not be detrimental or offensive or tend to reduce property values to the same or adjoining property by reason of odor, animal waste, or noise," Ms. Kind read.

Ms. King also cited a letter from veterinarian Dr. Robert Tremblay, who supported the article. "This kennel would be under the continual and watchful eye of the Board of Health," he wrote. "I'm sure many residents didn't anticipate problems when I built the town kennel 20 years ago."

Ms. King also noted that in her duties as Assistant Dog Officer, she has found that the need for a town kennel is great. Currently, animals are being taken to Look's Kennel in Rochester, which has become inconvenient for the town.

She also added that both Rochester and Mattapoisett allow commercial kennels in their by-laws, but Marion's By-Laws are mute on this issue. "Rochester has three commercial kennels, Mattapoisett has none, but both allow them," she said.

However, Jay Crowley, the Chairman of the Planning Board, was opposed to the article as written, saying it was both vague and could hurt residential areas. "Because the article is not sufficiently specific, the Planning Board unanimously voted against this article," she said. "The article doesn't provide protection for home owners and doesn't offer an exact location."

Alexander Beichek of the Zoning Board of Appeals also said he was opposed to the article, noting that "no matter what commercial activity you allow in a residential district, you are going to affect property values." Mr. Beichek added that it would be difficult to assess whether a certain smell is offensive, or if a barking dog is a nuisance.

"I agree with Ms. King that a kennel is need in town," added resident Joseph Zora, "but I just don't feel this article meets our particular need at this time."

With that, the article was defeated via majority vote. Town Meeting also unanimously voted to charge the Board of Selectmen with establishing a Study Committee

to look further into this matter and find a potential location for a new town kennel.

Selectman Winters next introduced Article S2, which requested that the town raise and appropriate the sum of $17,000 to provide an emergency chlorination facility for the Water Department as required by the Department of Environmental Protection (DEP).

Selectman Albert E. Winters noted that throughout 1994 the town has gone over its total coliform limits three times. Working with the engineering firm of Camp, Dresser and McKee and the DEP, they devised a plan which would reduce further violations. This plan calls for the installation of a chlorination facility at the town's East Well, including two pumps and a holding tank. The chlorine will be injected into the water supply only when the fecal coliform contamination levels escalate.

Funding for the project would fall under existing water rates, and would not require an increase in taxes or fees.

Resident Joseph Zora wanted to know why the facility wasn't being placed at Perry Hill or Wolf Island. DPW Superintendent Robert Zora noted that it was less expensive to install it at the East Well, and also allowed for immediate injection into the water system. "Right now this is a pilot program," he said. "We may have to put

chlorination facilities at all our well sites if this doesn't cure the problem."

The article was thereby passed via majority vote (215 in favor, 15 opposed).

Selectman Loretta B. Schaefer next introduced Article S3, which requested the town to raise and appropriate $35,000 to provide the town's share of the cost for a Stormwater Remediation Project at Silvershell Beach. Ms. Schaefer noted that four years ago the town began working with the Buzzards Bay Project and the Soil Conservation Service to develop a natural wetland site to help treat stormwater runoff at Silvershell Beach which drains into Sprague's Cove.

The 2.5 acre constructed wetland will consist of a natural saltmarsh and deep pool to help filter the contaminants out of the stormwater runoff. "We look forward to participating in this innovative program," said Ms. Schaefer, "and with the support of Town Meeting, we hope to begin after January 1 and have the project completed by the summer."

The town will also be getting the benefit of a project which costs a total of $85,000 for a mere $19,000.

Finance Committee Chairman Carol E. Garey also noted that the FinCom was in full support of the project. "We wanted to wait until tonight to make our recommendation because we needed solid figures on the project," she said. "We now feel confident that the project is feasible and worthwhile."

Though resident Joseph Zora agreed with the project in principle, he felt the end didn't really justify the means. "This is one project that has never been put to the residents for a vote," he said. "Why hasn't this been brought up at previous Town Meetings? And what about

the parking spaces down there. I'm not opposed to cleaning up the stormwater, but there is also no provision for parking in this plan."

Selectman Jonathan E. Dickerson assured Mr. Zora that none of the parking will be sacrificed, and he and Police Chief Brian J. Scott are looking into a plan for additional parking during peak season.

Dr. Davis Gallison also supported the project as presented. "Marion is built on a swamp ... and has a high water table," he said. "I don't like to have to pay more taxes, but this project is for the good of the town."

But Clark Streeter felt the project left too many

unanswered questions and was more of an experiment than a solution. "The information I received noted that this project is 'expected' to reduce the levels of fecal coliform and it 'should reduce' the mosquito population. I want to be assured that this project will work before supporting it," he said.

Although the technology is fairly new, Dr. Joseph Costa of the Buzzards Bay Project assured Mr. Streeter that it will get results. "We'll be looking at efficiency level as high as 99 percent," he said. "We expect drastic reductions in fecal coliform levels."

The article was thereby passed via majority vote.

Lastly, Selectman Dickerson introduced Article S4, which was essentially a "housekeeping article" to rescind the vote of Town Meeting taken on April 25, 1994 (Article 14, which raised and appropriated $20,000) and, in its place, vote to raise and appropriate the sum of $8,400 to be used by the Elizabeth Taber Library for a climate control system.

Mr. Dickerson noted that the library was fortunate in finding a contractor to do the project for considerably less ($17,000), and also was able to raise $8,600 on their own to fund the effort. The article was thereby passed via unanimous vote.

There being no further articles to consider, the Special Town Meeting was adjourned at 8:53 pm.

## Rochester Selectmen's Meeting

*October 24, 1994*

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, October 24 at 7:00 pm by Chairman David L. Hughes. Also present were Selectman Lorraine Roy Hawkes, Selectman Michael Murphy, and Administrative Secretary Shirley A. Ferreira.

After approving the minutes of the October 17 meeting via majority vote (with Selectman Hawkes in opposition), Chairman Hughes opened a hearing on a request from Com/Electric to install an underground cable and conduit on Wolf Island Road to supply a single dwelling with electrical service. However, Wiring Inspector Michael Forand informed the board that the work in question had already been done prior to the hearing.

"The cable's been installed and the house has power," Mr. Forand said. "But I've never inspected the job."

There was some confusion as to why the work had already been completed without the board's approval and the benefit of a hearing. Highway Surveyor Jeffrey Eldridge told the board that he had given the contractor a permit to install the conduit, and he apparently decided to complete the job while the road was dug up. The work was completed some time in late August, according to Mr. Eldridge. However, the request for the hearing was not submitted until September 22.

According to the representative from Com/Electric who was present, he was under the impression that the work had not yet been completed — hence his presence at the hearing.

"I think the problem lies in the fact that the house is in Mattapoisett, but the (utility) pole is in Rochester,"

Mr. Forand said. "(Jones Electric) did the work and they've signed off on the project. I can't approve the job because I've never inspected it ... but I think we can go on (David Jones') word."

The Selectmen agreed that if Mr. Forand was comfortable with allowing the project to clear based on the work of Jones Electric — along with letters from Mr. Forand, Highway Surveyor Jeff Eldridge, and the Mattapoisett Wiring Inspector — they would also approve it. With that, the board unanimously voted to approve the underground conduit and wire installation.

At 7:15 pm the board met with Dr. Susan Peterson, her husband, John Teal, and Gail Sudore of the Plymouth County Wild Lands Trust (PCWLT) to discuss the prospect

of putting an approximate 108 acres of land under a conservation restriction.

Ms. Sudore noted that the PCWLT currently has an approximate 200 acres of land under their care in Rochester, and this would add another 100 acres. "The nice thing about a conservation restriction is the land would remain on the tax rolls," she said.

The land in question currently owned by the couple is comprised of a combination of forest, swamp land, and an open field. By placing the land under a conservation restriction, it could never be developed for either residential or commercial use, thereby retaining a considerable amount of open space.

Although the Selectmen were outwardly pleased with the proposal, they agreed to consider the matter further before making a decision. "I'd like to view the land myself and talk to the Board of Assessors before we make a final decision," Chairman Hughes said. "I think it's a very nice gesture to offer the land for conservation purposes, but I'd like to review everything before we make a firm commitment."

The board agreed to meet with the group again on November 21 to make a final determination on the proposal.

Under incoming correspondence for the week, the board received a copy of a letter from Town Accountant Claudette Coutu to the Board of Assessors regarding

receipts for the 1993-1994 fiscal year. The itemized amounts are to be used by the Assessors to calculate their 1995 Recapitulation Sheet.

Ms. Coutu also sent a memo to the board asking for their assistance in getting Fire Chief Joseph H. Clapp to pay his department's bills on time. "For the past seven years I have been here, this has always been a problem," she wrote in her memo. "I have spoken with (Mr. Clapp) numerous times about it to no avail."

As an example, Ms. Coutu submitted a copy of a recent telephone bill which incurs a late charge of $10.99 when not paid on time.

Chairman Hughes recommended that the board send a letter to Chief Clapp, asking that he make sure he pays the bills on time, otherwise further action will have to be taken.

"Why don't we ask him to come in now?" Selectman Hawkes asked. "Do you think he's going to respond to a letter from us when he isn't picking up his bills?"

But both Selectman Murphy and Chairman Hughes agreed to send a memo to Chief Clapp first, advising him that he should bring his bills up to date, and also request that he submit his quarterly budget report as previously agreed.

Town Counsels Kopelman and Paige, P.C., also sent a copy of their legal opinion rendered to the Planning

Board regarding Open Space Lots with outstanding taxes due on them. According to the letter, subdivision lots which have been reserved for open space are subject to the imposition of liens for non-payment of real estate taxes.

"Reserved lots are subject to the imposition of real estate tax liens in the same manner as any other, privately-owned real estate in the Town," the letter stated. "The mere fact that the land is being reserved for up to three years does not relieve the property owner of its obligation to pay real estate taxes on the land."

The board next signed and approved the warrant for the November 8 State Election and also paid a legal invoice in the amount of $138.07 to Kopelman and Paige for services rendered during the month of September.

Under Old Business for the week, Selectman Hawkes asked when Hiller's Bridge on Mary's Pond Road will be completed and the road opened? Highway Surveyor Jeff Eldridge said he was waiting on both New England Telephone and Com/Electric to finish work on the utility poles before wrapping things up. "If everything goes well, it should be finished by the end of the week," he said. "But I can't promise."

The board also unanimously voted to allow package stores in town to open on the Sundays between Thanksgiving and Christmas, as is the practice throughout the state. Chairman Hughes noted that he had spoken to Fire Chief Joseph Clapp about the work being done on the new Communications Center and he was assured that the project should be complete by the end of the year.

Selectman Hawkes then noted that she felt the Town Hall should be opened on the Friday after Thanksgiving (November 25) and also on the Friday prior to Christmas (December 23). "I really feel we need coverage in the Town Hall on those days," she said.

Chairman Hughes, however, disagreed. "In my opinion, there's really no reason to stay open on those days," he said. "Most people aren't going to have to do town business on those days ... and I think it would be a nice gesture to give the Town Hall employees that time off."

Selectman Murphy concurred, and the board

## Folk Art Craft Fair

Come one, come all to the area's finest Folk Art Craft Fair, which will be held on Saturday, October 29, from 9:00 am to 3:00 pm at ORR High School (Route 6 in Mattapoisett). Sponsored by the Mattapoisett Firefighters' Auxiliary, the event will feature artists from the South Shore, Cape Cod, and locally. Juried participants will include Bittersweet of Mattapoisett, Perry Farm Patchworks, JC's Country Crafts, Editions Unlimited, Bearwear and Scotty Leigh Originals, Through Amy's Eye, Baskets by Kate, and Contented Stitches, along with many others.

Admission is $1 per person, and 50 cents for seniors and students. The event will benefit the Auxiliary's Scholarship fund. For further information, please contact Elaine Sylvia at 758-6548.

## Plumb Memorial Library

The Plumb Memorial Library's Homework Center will be opening the first week of December. There will be a training session for volunteer homework coaches on Thursday, November 10 at 6:30 pm. Anyone interested in volunteering as a coach should plan on attending this important training session. Those who are unable to attend the session should contact Lucy Van Petten at 763-8600 to make other arrangements.

Rochester residents now have access to the holdings of all SEAL network libraries through the Plumb Library's recently-installed Public Access Catalog. Patrons can search for holdings of the Plumb Library as well as those of all the surrounding libraries, including New Bedford.

The month of December will be Fine-Free Month at the library. Overdue library books may be returned at the desk, in the drop box at the rear of the library, or at the Town Hall, and no fines will be charged. Library patrons are asked to search their book shelves for long-overdue titles and return them before the end of the year.

The library's new hours are Monday, 3:00 pm to 8:00 pm; Tuesday (closed); Wednesday, 10:00 am to 5:00 pm; Thursday, 3:00 pm to 8:00 pm; Friday (closed); Saturday, 10:00 am to 2:00 pm. Magnets imprinted with the library's new hours will be available on a first come, first served basis.

There is an ongoing Book Sale at the library to benefit the Friends of the Plumb Library. Paperbacks are available for 25 cents each, or 5 for $1. Hardcovers are available for 50 cents each, or 3 for $1.

## Mother/Daughter Math-Science Symposium

A Mother/Daughter Math-Science Symposium will be held on Saturday, October 29 from 8:00 am to 12:00 noon at the ORR Junior High School. The day will involve workshops and panel discussions by women alumni of ORR High School who have gone on to successful careers in Math and Science.

Ellen Ferrara, WCVB-TV Meteorologist, will be a guest speaker. Twenty-two additional women speaking representing fields of Accounting, Architecture, Atmospheric Science, Biology, Care Nursing, Chemical Engineering, Chiropractic Medicine, Computer Science, Computer Technology, Dietary/Health Services, Environmental Studies, Neurology, Nursing, Occupational Therapy, Town Planning, and Veterinary Medicine will present career workshops.

This program is an attempt to recognize the need to encourage young women to pursue careers in Math and Science.

prolific author, Tulku Thondup has recently completed *The Healing Power of Mind*, the title of his upcoming talk.

Tulku Thondup was born in 1939 of a nomadic family in a region of East Tibet where as yet no Western foot has walked — a real-world Shangri-La. Upon the Chinese invasion of Tibet, he escaped death, moving to India in 1958 and to the U.S. in 1980. He has taught at several universities, served as a visiting scholar at Harvard, and received numerous academic honors. He is now a full-time writer.

The event is FREE and open to the public. All those interested in Buddhist thinking or mind/body approaches to healing and health are encouraged to attend.

## Sports Equipment Sale

The Mattapoisett PTA will be holding its first Sports Equipment Consignment Sale at Center School on November 2 and 3 from 4:30 to 7:30 pm. This will provide the community with a great opportunity to trade in all those odd-sized soccer cleats or out-grown skis, boots and poles or no longer used exercise equipment and to make some money for you and your PTA. Seventy-five percent of the sale will go to the seller (who has offered the item on consignment), and twenty-five percent will benefit the PTA.

It will also be a great chance to do some early holiday shopping or to find a pair of skis or skates before the winter comes. All equipment to be sold should be brought to Center School on Thursday, October 27 between 4:00 and 6:00 pm. Your name should be clearly attached to the item along with the asking price. Anyone with any questions should call Maureen McQuillan at 758-6255.

The PTA hopes everyone finds the time to clean out their cellars and attics, move out some of that equipment that is no longer used, fit, or wanted, and help out the Mattapoisett PTA and school children at the same time.

## Friends Meeting Benefit Auction

In 1925, a total eclipse of the sun occurred in parts of New England, including Fairhaven and as far east as Mattapoisett. The eclipse wasn't quite total in Wareham.

George L. Tinkham of Rochester compiled a scrapbook of the celestial event that occurred on January 24 in that year. That scrapbook and other paper collectibles from Old Rochester and Fairhaven will be included in the 375-lot October 29 benefit auction at the hall of the Mattapoisett Friends Meeting (Quaker).

The auction is confined to paper collectibles only and will begin at 9:00 am.

In addition to the scrapbook, lots of particular interest to Fairhaven and Old Rochester collectors will include:

- Two signed letters from Mattapoisett whaleship builder Wilson Barstow, dated 1838 and 1840.
- Thirty different Keyes postcards of Marion, Wareham and Onset.
- A 1934 edition of *Lands of Sippican*, signed by author Alice Austin Ryder.
- A lot containing correspondence of the Akin family of East Fairhaven, including 19 Civil War letters written by Henry F. Akin, most of them while he served in Louisiana from 1862 to 1864.
- One lot containing 50 Fairhaven postcards, including sixteen by Hutchinson, a 1908 card of the Atlas Tack works and a real photo card of a steam yacht at Kelley's Marine Railways.
- Several lots of papers of Cyrus E. Clark of North

Fairhaven (now Acushnet), including his appointment as North Fairhaven postmaster in 1831.

• An 1829 anti-Masonic document signed by about 25 Fairhavenites.

• Thirty-eight manuscript pages believed to have been written by Rodolphus Swift of Acushnet in 1895, including 24 pages of reminiscing about narrow escapes as a whaleman in the 1820's and 1830's.

The 375 lots feature more than 10,000 postcards, ephemera relating to whaling, the Civil War, Quakers, anti-slavery, Southeastern Massachusetts history, maps, documents, and 18th century collectibles. There will also be old newspapers and magazines, postal history, books and autographs.

The autographs include three U.S. Presidents (Lincoln, Arthur and Cleveland) as well as other notables such as Charles Goodyear, the inventor of vulcanized rubber.

Viewing will be held from 6:00 to 9:00 pm on October 28, the evening before, and 7:00 to 9:00 am on the morning of the auction. Lot lists will be available for $1 at the auction, to be held in the hall at the rear of the Meeting House, 103 Marion Road (Route 6) in Mattapoisett (about a half mile west of ORR High School).

appointments. The purpose of the screening is to identify young children with potential learning problems.

The screening will look at the child's thinking skills, speech and language development, memory skills, coordination, hearing and vision. It is conducted by Project GROW staff in the preschool classroom. If you suspect your child is having difficulty in any of these areas, or simply wonder if his/her development is "on target," call 748-0100 to make an appointment. Screening clinics are offered regularly throughout the school year. Locations rotate among the three towns.

### Marion Winter Recreation

Youth Tennis Lessons, taught by Bob Hohne, the Boys' Tennis Coach at ORR High School, are being offered as part of the Marion Winter Recreation season. Class size is limited to nine students.

Lessons are offered for 60 minutes and are held Saturday afternoons in the Sippican School gym. The session consists of twelve lessons. The younger, less experienced players are scheduled earlier. Snow dates will be made up by extending the season.

To register, please get an application form from the Elizabeth Taber Library and send it in along with a $36 check made payable to the "Marion Athletic Club." The fee includes all ball charges. Please complete a separate form for each child.

Applications can be mailed to the Marion

***BUY OR SELL FIRST?***

Here is one of the oldest questions in the real estate business: "Should I sell my house first and then scramble to buy a new one or should I find the new one first and then sell?"

Actually, both steps could be taking place simultaneously, but you'll need more information first and a helping hand to coordinate the steps so they'll fall into place painlessly. Your first step should be a visit to an experienced residential agency like ours. We will prepare a marketing plan for your present home. This will give you a firm basis for planning your new purchase. You'll have an idea of the cash you will have available to use for the downpayment on the next house.

Also you'll have a time-frame for the sale of your present home from listing to passing. This will help in planning the time you'll need to wrap up the purchase of the new home.

In selling one home to buy another, you are not alone. Over 70% of all residential transactions are hinged on one sale taking place before another is consummated. Our agency will help make this transition more profitable and less stressful.

## ORR Athletes Earn State Awards

During June, seven ORR Track athletes competed in the Women's State Heptathalon. This involved competition in seven events in two days. The first day covered the High Jump, Shot Put, 100 Hurdles, and the 200-Meter Run. On the second day the ladies competed in the Javelin, Long Jump, and 800 (half-mile) run.

The girls who competed for ORR were Lindsay Motta, Christina Tougas, Sue McKinney, Megan Poyant, Melissa Poirier, Nikki Charbonneau, and Rachel Rounseville.

Three of these girls won state honors and teamed up together to compete on the team level (three girls combined). Those were Motta, Tougas, and McKinney. Motta placed 8th, McKinney 14th, and Tougas 22nd. Together they were second in the state with a combined score of 8,495 points. This was a new ORR record.

The ORR Track Boosters Club bought plaques for each girl and the girls presented the school with the state plaque. The state plaque will be mounted in the school lobby.

### Rochester Bowling League

At the Bowlmor Lanes in Mattapoisett on October 19, Walt Shepard was high man for Sturtevant and Hook for the fifth time this season. His 409 was more than enough for a three-point victory over the House Five team. Currently sporting a 136 average, John Hammond, with 409 for the House team, could not prevent the onslaught.

Mugsy Beaton and John Dubrowski tied twin 372's together and thoroughly knotted up Boulevard

## Veterans Day Exercises

The Florence Eastman Post 280 American Legion will hold its Veterans Day Exercises in the auditorium of Old Hammondtown School on Friday, November 11 at 11:00 am (this being the exact time the Armistice was signed in France during 1918).

Guest speaker will be Navy Veteran Paul Daley. Mr. Daley served on the Destroyer Myles C. Fox DD829 based out of Newport, RI. The Old Hammondtown School Band and Choral Group will perform and Post Chaplain Michael P. Lamoureux will provide the prayer.

We ask that all veterans and residents of the town take part in the Veterans Day Exercises on November 11.

## Long Term Care Seminar

A Long Term Care Seminar will be held at 10:00 am on Tuesday, November 1 at the Hawthorne Country Club in North Dartmouth. The guest speaker will be former Mattapoisett resident Frank R. Peterson, Long Term Care Specialist serving Massachusetts, Rhode Island, New York, and the U.S. Virgin Islands. The seminar's focus will address five critical issues:

- Who should consider long term care insurance?
- What benefit options are offered by different companies?
- How to decide which plan may best serve your needs
- Cost comparisons of various insurance policies
- Choosing investment strategies for Long Term Care Insurance Premiums.

The seminar is sponsored by Merrill Lynch and Health Care Resources. Reservations can be made by calling Vivian Couto at 990-2456, or Frank R. Peterson at 991-5522. There are no charges to attend the Long Term Care Seminar.

## Important Announcement

Due to an unavoidable computer error, the first shipment of the blue and green coverlets sold by the Mattapoisett Woman's Club at Harbor Days are faulty and will not last through normal use and/or washing. The company is recalling and replacing (at no cost to the buyer or the club) all those coverlets which lack a double row stitching along both sides. Only the first shipment of blue and green afghans is affected. All of the cranberry coverlets and any blue or green purchased after August 1, as well as any picked up at the Bowlmor Lanes Bowling Alley, are not in the recall.

The new coverlets (blue and green) should be in by the third week of November. A time and place for the exchanges of the coverlets will be forthcoming.

The Mattapoisett Woman's Club apologizes for the inconvenience this causes to their loyal supporters. If you purchased a coverlet at Harbor Days and have any

*Church Services*

Holy Communion will be celebrated at both the 8:00 am Chapel and 10:00 am Church Services at St. Gabriel's Episcopal Church on Sunday, October 30. The Junior Choir will sing this week. The sermon will be on healing and, after the later service for those who wish to participate, the Rev. Woodroofe will conduct the Litany for Healing, the Laying on of Hands, recognized by the church as one of seven sacraments. The Sacrament of Unction is the rite of anointing with oil to heal the spirit, mind and body.

*Adult Education Forum*

The adult education forum will study the "Spiritual Practices of Other Traditions," Buddhism and Native American, in particular, under the guidance of Harold Talbot and Barbara Sanderson.

*Retreat*

On Monday, October 31, there will be a retreat at Briarwood organized by Anne Watson's prayer group between 9:00 am and 3:00 pm. The group will explore a "Rule of Life."

## Nursing Home Drill Needs Help

The Mattapoisett Nursing Home, in cooperation with the Mattapoisett Fire, Police and Civil Defense Departments, will be conducting a Disaster Simulation Drill. Fire Departments from surrounding communities will also be involved. This exercise provides a unique opportunity to sharpen the skills and awareness needed for disaster preparedness. Participating in a disaster simulation exercise gives everyone a chance to learn without people being at risk and have fun at the same time.

All residents will have been informed of the drill and will be "interested observers" only. Each resident's privacy and safety will be guarded and protected during the exercise. One reason for an evening drill is to ensure that a majority of the residents will be in bed, away from the areas of intense activity. Staff on duty that evening will be focused primarily on ongoing care.

The Disaster Simulation will be held on Friday, October 28 at 8:00 pm. Please consider being a volunteer and call Mary Tondreau, Activities Director, at 758-2512. The Mattapoisett Nursing Home thanks you for your assistance and help in this matter.

## Flu Clinic in Mattapoisett

The Mattapoisett Board of Health will sponsor a flu immunization clinic on Monday, November 14 from 5:30 to 7:30 pm at the American Legion Hall on Depot Street. The clinic is open to all Mattapoisett residents, and a donation of $1 per vaccination is requested.

If any home-bound resident would like a flu shot, please call Lindy East-Boyd during her office hours (Monday and Thursday, 9:00 am - 11:00 am) at 758-4118, or leave a message at the Town Hall (758-4100) during regular business hours (Monday - Friday, 8:00 am to 4:00 pm) to set up a time to receive your flu shot at home.

## Auto Glass Etching Program

On Saturday, October 29, the Mattapoisett Police Department in conjunction with the Governor's Auto Theft Strike Force will sponsor an auto glass etching program for Mattapoisett residents. The program has proven to be an effective method in reducing auto theft.

The glass etching program involves chemically etching the car's vehicle identification number on all the windows, including sun roofs and t-tops. The etching will entitle the vehicle owner to receive a fifteen percent discount on their comprehensive insurance if there is no other theft device on the vehicle. There will be a $10 cash charge (no checks) for the etching to cover expenses.

The program will take place from 9:00 am to 3:00 pm at the Mattapoisett Police Station. The program is open to all Mattapoisett, Marion and Rochester residents. The registered owner of the vehicle *must* be present and a valid registration of the vehicle *must* be presented to have the etching done. The process should take ten to fifteen minutes.

For more information, please contact Officer Paul Magee at the Mattapoisett Police Department (758-4141) between 4:00 pm and 12:00 midnight. The program will be held on October 29, rain or shine.

by the men and women of the First Congregational Church of Rochester over the past year. These items will be offered for sale at "The Christmas Faire" to be held in the Fellowship Hall on Saturday, November 5 from 10:00 am to 3:00 pm.

The location of the fair in the new Fellowship Hall, which is handicap accessible, is most welcome by friends who found the stairs in the old building a hindrance.

Special offerings at the fair will include many hand-painted wood pieces, hand knits, new and interesting Christmas decorations, quilted tree skirts and Christmas stockings, the very popular Fresh Baked Goods, and homemade candies.

For the children again this year they are offering a special Kids Shopping Corner (no adults allowed). The children can have the fun of buying gifts for mom and dad ... in secret, at minimal prices. This was one of the most popular areas of the fair last year. Also for the kids there will be Puppet Shows all day on the half hour.

A Soup and Sandwich (seafood salad or chicken salad) Luncheon will be served from 11:30 am to 1:30 pm. The chairmen of the many committees include Edith Lizotte, Corinne Martin, Roxanne Costa, Yvette Beaumont, Ann Hamilton, Dot Tuttle, Katherine Church, Margie Skrutski, Nola Hindemith, Kathy Haverty, and Joan Asker.

## Harpoon Harmonizers at ORR

The Harpoon Harmonizers are pleased to announce their annual show, "Railroad Rhapsody," which will be held at ORR High School Auditorium on Saturday, October 29 at 7:30 pm. The Harpoon Harmonizers are a New Bedford-based barber shop singing chorus and are the 1994 Patriot Division Small Chorus Champions.

The show will feature the Bingo Brothers, who are the 1994 International Quartet Finalists — as well as being the Mid-Atlantic District Champions — along with a second quartet named the New England Chord Commission who are the Patriot Division Quartet Champions. Tickets can be purchased at the door and are $10 for adults and $5 for students and children.

## Chicken Pie Supper

The Marion United Methodist Church will be conducting its annual Chicken Pie Supper on Saturday, October 29. There will be two sittings — one at 5:00 pm with the second at 6:30 pm. The menu will include chicken pie, garden peas, butternut squash, mashed potatoes, roll and butter, beverage, and grapenut pudding or jello for dessert. Adult dinner prices are $7, with children's dinners priced at $4. Reservations can be made by calling 748-2195 or 763-8423. The church is located at the corner of County Road and Route 105, just north of Route 195 in Marion.

## Mattapoisett Boy Scouts

The Mattapoisett Boy Scout Troop 53 has started their meetings for the 1994-1995 school year. Activities are not confined to the school year, however, and often continue throughout the summer. Many scouts completed a week at Boy Scout Camp Cachalot in Carver. The boys also participated in a weekend trip to Westover Air Force Base for an Air Show.

Upcoming events include popcorn sales; "Scouting for Food," a fund raiser for the United Way; and "Biking for Sight," which benefits the Lions Club. The troop also plans a weekend hiking and camping trip in New Hampshire.

Any boy in Grade 6 or older that is interested in joining the Boy Scouts can either call Scoutmaster Phil Gaudet (758-9403) or Assistant Scoutmaster David Gundersen (758-4709).

## The Friends of the Elderly

*SHARE Program*

Please note: the SHARE Registration Day for the month of November will be on November 2 at the Congregational Church between 11:00 am and 1:00 pm. This is so that people may get their food order in time for Thanksgiving. Social Security checks may not have been received by that date, but special arrangements can be made so that people can place their order at that time. Financing is not a problem. If more information is needed, please call Nancy after 6:00 pm at 758-9828.

The distribution day will be November 19, SHARE's third anniversary, and the group will be celebrating with cake and cider. Please join them in recognizing this special anniversary.

## Mattapoisett Town Clerk

*Absentee Ballots*

If you are unable to cast your vote in person at the polls on Tuesday, November 8 between 7:00 am and 8:00 pm, you may vote via absentee ballot. Absentee ballots are now available at the Mattapoisett Town Clerk's office to vote in person ... or you may file an application to have an absentee ballot mailed to you.

Use your red book to review the questions, mark the back page and bring it with you when you are voting.

*E-911 System*

The Enhanced-911 telephone emergency system has the capability of identifying locations as having special needs for disabled persons (i.e. blind, deaf, or hard of hearing, life support system, etc.). Should you call for emergency services, the personnel responding would be aware of the special needs at your address. To take advantage of this forthcoming feature, you need to complete a simple request form now available in the Town Clerk's office.

Tea is served every Sunday (1:00 to 4:00 pm). Also, the museum is open Wednesday, 1:00 to 4:00 pm, and Saturday, 11:00 am to 4:00 pm. For further information, please call 748-1116 or 748-2777.

## Marion Art Center

*The Price*

Arthur Miller's play, "The Price," will open at the Marion Art Center on Thursday, November 3 at 8:00 pm. The drama takes place in a crowded attic full of furniture and other objects that belonged to the father (deceased 16 years ago) of two brothers. Viewers will relate to the universal dilemma of the problems of dealing with an older relative and what to do with his things.

After twenty years, two estranged brothers (played by Duane Minton and Donn Tyler) meet in the

place where their father lived in order to decide what to do with his "things." The often animated conversations reveal the major differences between the two as they try to come to terms with family history and work towards a reconciliation. One of the brothers is married, and neither he nor his wife (played by Anne Schenck) is fully aware of "the price" that each one has to pay in order for reconciliation of the past and the future to occur.

Then Mr. Solomon, the aged antique dealer, enters the scene. Solomon (played by Jim Carr) is the catalyst for confrontation. One brother wants to sell the attic full of furniture and the other has different ideas. Even though "daddy" is not there, his influence on the two brothers is

Contact Natalie Sullivan at 748-1467.

The Executive Committee will next meet at 9:30 am on Monday, November 7 at the Senior Drop-In Center.

## Adopt A Greyhound

Every year thousands of racing greyhounds are put to sleep needlessly. Many of these are young dogs under the age of three whose only crime is not being fast enough. Few people realize that these loving, gentle dogs make excellent family pets.

Greyhound Pets of America, a local organization devoted to saving these beautiful animals, has numerous young dogs available for adoption right now. For more information, please contact Brenda at 763-2357 or Kathy at 947-3654.

## Rochester Lions Club

The Rochester Lions Club has changed their monthly meetings from the second and fourth Tuesday to the second and fourth Thursday. The meetings are held at 7:00 pm in the Rochester Grange Hall. huge success. The group did extremely well, and will put all the proceeds toward their work with abandoned cats.

This week, they would like to feature an all-black, newly-spayed female who has had her shots and tested negative for all diseases. She would prefer to be the only cat, but is presently in a foster home with six others and can learn to adjust.

Adult offerings this week include the same cat that was featured here last week: the petite little black and white female who was rescued from the dumpster in a taped up box. She will be spayed this week and will soon be ready for adoption.

Also available this week: four cute kittens and two sisters are available to be taken to a good home. Ages range from 3 to 14 months. All are good with children. Please call 748-0227 if interested.

Also available: two beautiful, six-week old kittens (long-haired tiger females) who have been tested and have had their shots ... and a very special terrier cross dog. She's older (about 8 years) and is very petite, has had all her vaccinations, and recently had her teeth cleaned. She is slightly hard of hearing, but seems to respond to hand signals. This pet would make a perfect addition for a family or loving couple. If interested in either of these two animals, please call Tara at 748-2164.

## William Reed Scholarship Fund

The guidance departments of area high schools have been notified of the establishment of a new scholarship fund, available to graduating seniors who are furthering their educations. Applicants must have attended the Old Hammondtown School in Mattapoisett.

Created in honor of Old Hammondtown's recently-retired principal of eighteen years, William Reed, the scholarship will be awarded each year to a different graduating senior, through the year 2002 — the final graduating class of Mr. Reed's Old Hammondtown students.

To contribute to the fund, please make checks payable to "The William Reed Scholarship Fund" and mail to: Old Hammondtown School, Shaw Street, Box 477, Mattapoisett, MA 02739. All donations will be greatly appreciated.

# Solgar's Commitment To Excellence

Solgar's premium line of natural vitamins, minerals, and herbs represents a commitment to excellence since 1947.

As a result of this commitment, we're one of the few nutritional supplement companies that actually makes its own products. We manufacture and package our products in our own facilities in accordance with the Federal Food and Drug regulations. Production runs are planned so that fresh merchandise is always available. Throughout the manufacturing process, rigorous tests are performed on both raw material and finished product for potency, purity, uniformity, and disintegration. We absolutely reject any product that does not pass our strict standards for quality.

In fact, our commitment even dictates that we avoid ingredients which may be of concern to customers. We never add sugar, starch, salt, preservatives, artificial flavors or colors. We have successfully eliminated potential allergens from most of our products, including dairy products, wheat, gluten, soy, corn, yeast, salicylates and animal derivatives.

Our commitment extends to packaging, where we use amber glass bottles instead of plastic. They're better suited to maintain our product's potency, clearly show the vitamins inside, and are more environmentally friendly. In addition, our bottles are sealed to protect against tampering, and shipped to our customers directly from our own warehouses.

Finally, we're committed to developing new products beneficial to health. An idea must be proven truly effective and safe before it becomes a part of a Solgar product. We design our products to reflect the most current scientific knowledge in the area of nutritional supplementation and human health.

It's our commitment that's made Solgar's Gold Label the industry symbol of quality, and it's the reason why, as always, you can . . . Be sure with Solgar.
